

Create a Conditioning Cartoon Project

Assignment: Your task is to create a conditioning cartoon based on any of the types of learning we've discussed in class.

Task: Use the template provided, or visit www.toondoo.com to create a cartoon online. Remember, the cartoon must incorporate a clear example of conditioning.

Steps:

1. Decide what kind of conditioning you will depict in your cartoon.
2. Think of a visual scenario that will portray your idea. Use the template below to create a rough draft.
3. Get approval from Mrs. Debelak (you must be able to explain the cartoon and how it displays a kind of learning).
4. Use www.toondoo.com or draw your cartoon.
