

Human Bondage and Trafficking Assignment:

1. Research modern slavery. Where does it still occur? What form does it take?
2. How do these forms compare to types of bondage imposed by the Spaniards on the Natives, by Africans on each other, and by Europeans on Africans in the Americas?
3. Have definitions of slavery changed? If so, how? What, if anything, do all things referred to as “slavery” have in common?

Use the reference database at [debelak.yolasite.com](http://debelak.yolasite.com), news articles, or Ted Talks clips to help complete this assignment. Use verified sources, not a Google search or wikipedia.
